

We are a successful international company with more than 35 years of experience in the field of animal feed and diagnostics (agro-food/veterinary) headquartered in Vienna. For our daughter company in Bulgaria we are looking for a

SALES REPRESENTATIVE (m/f) Diagnostics

Your tasks

- Taking care of the existing customers and increase the business on the Bulgarian market.
- Cooperating closely with customers to realize individual solutions
- Developing sales strategies together with our sales team in Vienna
- Creating sales- and marketing plans for the Bulgarian market
- Technical and product training for customers

Your qualification

- Completed studies in Microbiology, food technology, chemistry or a similar field of study.
- Sales experience
- Organizational skills, professional and outgoing, proactive, flexible & solution-orientated personality
- Fluency in English
- Sound knowledge of MSOffice applications, especially MSExcel
- Willingness to travel inside Bulgaria and sometimes abroad

Our offer

We offer an interesting job that covers a variety of subjects in the food and feed industry as well as in private and state laboratories. Our company distributes a large product portfolio of internationally distinguished suppliers which constantly increases by new products and technologies. Our suppliers will offer training on these new products.

We offer an attractive salary package based upon your personal and professional skills as well as on your past career.

We are looking forward to your application in English including a photo by e-mail to Mr Karl-Heinz Hitl, khhitl@noackgroup.com.
