

We are a successful international company with more than 35 years of experience in the field of animal feed and diagnostics (agro-food/veterinary) headquartered in Vienna. For our business unit "Feed" we are looking for a

Jr. Technical Manager – Feed Products (m/f)

Opportunity for a skilled experienced person who has already worked in animal production or for a young agricultural engineer who will take the chance to grow into this position

Your tasks

- Work in a close cooperation and support our Technical Director in the Feed Department
- Work closely together with our Noack Feed Teams in different countries
- Be the link between our international suppliers and our local sales teams
- Work with us on new strategies with feed products and implement them into the markets together with our colleagues
- Support your colleagues in their sales and join them in customer visits.
- Organize trips and workshops together with our colleagues and suppliers in CEE countries.
- Take part in the quality management for feed products and take responsibility in administrative issues related to this

Your abilities

- University degree with specialization in animal production and/or animal nutrition.
- Communicative personality dedicated to team spirit and customer service
- Communication skills in English written and spoken (with knowledge of relevant technical terms)
- Willingness to frequent travelling, driving license B
- Proficiency in MS Office applications

Our company distributes a large product portfolio of internationally distinguished suppliers. You work in a multicultural team of competent and motivated colleagues and in an international environment. We offer intensive training on the job and professional support with expert colleagues and suppliers and an attractive salary package, including company car and other benefits. By law we are obliged to mention a salary in figures. The minimum salary according to the collective bargaining agreement for trading companies would be EUR 1.688,--. The real salary would be of course be higher than that and depend on individual experience.

We are looking forward to your application in English including a photo by e-mail to Mr Karl-Heinz Hitl, jobs@noackgroup.com.
